

Technical drawing of a mechanical part, showing front and side views with dimensions.

Front View (Top):

- Overall width: 1200
- Overall height: 400
- Two vertical slots are present, each 80 units wide and 12 units high.
- A central hole is located 60 units from the centerline.
- A hole with diameter $\varnothing 35$ is located 370 units from the right edge.
- Dimensions 12 and 370 are indicated for the right side of the part.

Side View (Bottom):

- Overall width: 1200
- Overall height: 400
- Two vertical slots are present, each 80 units wide and 12 units high.
- A central hole is located 60 units from the centerline.
- A hole with diameter $\varnothing 35$ is located 370 units from the right edge.
- Dimensions 12 and 370 are indicated for the right side of the part.

Technical drawing of a mechanical component in cross-section. The drawing shows a long, thin rectangular part with a central raised section. Key dimensions are labeled: overall length 1100, overall height 145, central raised section height 110, and various internal features with dimensions 35, 93, 70, 336, 516, and a hole diameter of Ø16.

Technical drawing of a cross-section of a mechanical part. The drawing shows a central cavity with a tapered bottom. Dimensions are indicated: a central width of 45, a height of 108 for the upper section, and a total height of 129.

Nôsa®	Product Name	Agera
	Material	Stone Resin
	Product Size (mm)	1200x400x145

All dimensions provided in millimeters
