

Technical drawing of a rectangular plate with a central hole. The overall dimensions are 800 (width) by 64 (height). The hole has a diameter of 710. The plate has a thickness of 15. The hole is centered horizontally, with 30 units of material on each side. The hole is also centered vertically, with 32 units of material above and below the hole. The hole is shown in a perspective view, with a dashed line indicating the hidden part of the hole.

Technical drawing of a rectangular plate with the following dimensions and features:

- Overall width: 800
- Overall height: 750
- Top edge thickness: 35
- Bottom edge thickness: 15
- Left edge thickness: 45
- Right edge thickness: 45
- Internal width: 710
- Internal height: 636
- Internal width offset: 45 (from left edge to internal width start)
- Internal height offset: 45 (from bottom edge to internal height start)
- Internal width dimension: 736
- Internal height dimension: 636
- Internal features: A dashed rectangle is shown within the internal dimensions. The area between the dashed rectangle and the internal dimensions is filled with diagonal hatching.

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions in millimeters. The part has a vertical section with a total height of 750 mm and a horizontal section with a width of 120 mm. Key dimensions include 35 mm, 30 mm, 640 mm, 88 mm, 15 mm, 22 mm, and 32 mm.

Nôsa®	Product Name	Beaumont
	Product Size (mm)	800x750x120
